

YOU have been approved to become a State Contestant!

The MISS USA® and MISS TEEN USA® program offers young women the opportunity to advance their personal, professional and humanitarian goals. If you are crowned our new state titleholder, you will receive an incredible prize package including cash, wardrobe, travel and other fabulous gifts. In addition, if you win our state pageant, you will go on to represent your state at the MISS USA or MISS TEEN USA national pageants! If you win MISS USA, you will represent our entire country in the MISS UNIVERSE® pageant! **This year, Kiran Reddy of Georgia is MISS TEEN USA 2026 and Justus Kelley of Virginia is MISS USA 2026. Kiran took home a prize package worth over $300,000 and Justus took home a prize package worth over $650,000 including a $150,000 salary and a new 2026 Range Rover she gets to keep!**

THE NEXT STEP:

To become an official contestant you will need to pay the $395 entry fee. Once your entry fee is paid we will email you a contestant confirmation packet. This will contain information about the competition and how to prepare. You will also be required to pay an $900 production fee (due later). The entry and production fees help cover pageant production and operational expenses.

Simply mail the last two pages of this packet with your entry fee payment to our office or use the link provided on page 3 to submit the forms and payment online. Upon receipt of your preliminary contract/title request form and entry fee, we will email you your contestant confirmation packet and you can get started! Even though you have been invited to participate, you will not be an official contestant until you submit the preliminary contract/title request form and $395 entry fee. Your production fee will be due at a later date. You will be a part of an incredible event where you will meet others with similar goals and strengthen your interview and presentation skills throughout this journey.

PAGEANT WEEKEND:

This year the MISS KANSAS USA and MISS KANSAS TEEN USA pageant will be held the weekend of **April 17-18, 2027, at the Miller Concert Hall in Wichita, Kansas.** The official host hotel is the Holiday Inn Wichita East. Contestants will be responsible for providing for their own hotel room, transportation to and from theater, and some meals. Registration and the interview competition will take place at our host hotel. If you prefer to stay at the host hotel, a link is provided on the state website to book your room.

A link to purchase show tickets for family and friends will be available on the web site at a later date. If you would like to attend one of our other State Pageants, watch for ticket information on the state's website. You can also view one of our other state pageants live at pageantvision.com.

As a state contestant, we promise you fun, excitement and something of value. This journey will be hard work, but you will learn a lot throughout the process. You will receive direction on runway presentation, speech and stage technique, as well as work with a show producer and choreographer. You will not only take part in two stage shows; a Preliminary Show and a Coronation Show, but meet other amazing contestants from across the state of Kansas. The pageant promises to be an exciting weekend!

2027 MISS KANSAS USA
MISS KANSAS TEEN USA

April 17-18, 2027
Miller Concert Hall
Wichita, Kansas

HOST HOTEL:

Holiday Inn Wichita East

PROGRAM BENEFITS:

The Miss USA Organization empowers women to develop the confidence they need to achieve their personal best and encourages every woman to step out of her comfort zone and to simply be herself. A confident woman has the power to make real change, starting in her local community with the potential to reach a global audience.

Representing your state in the MISS USA or MISS TEEN USA Pageant will be exciting and rewarding! All 51 state contestants will be introduced on stage in an opening extravaganza. During their stay in the national host city, the contestants receive the star treatment. What an exciting time for the whole family to enjoy some fun and quality time together!

No doubt, becoming MISS TEEN USA, MISS USA, or maybe even MISS UNIVERSE, would be the most magical year of your life.

JUDGING:

- Interview Competition
- Evening Gown Competition
- Swimsuit/Active Wear Competition
- There is no performing talent or essay competition

Each state contestant will be judged in three equal areas of competition: Active Wear (Teen) or Swimsuit (Miss), Evening Gown, and Interview. These areas of competition are designed to help showcase your ability to serve as a role model to your peers. You will have the opportunity to demonstrate your stage presence, physical fitness, personality, communication skills, etc. You will receive more information on wardrobe guidelines and information regarding your preparation in your contestant confirmation packet (via email).

ENTRY FEE:

You have been selected as a potential contestant so your next step is to **ENTER**. There is a $395 non-refundable entry fee. Once we receive your entry fee, we will send you lots of important information including your official competition title and your contestant portal password that gives you access to required paperwork, sponsor forms, and the official contestant handbook that contains lots of valuable preparation advice so that you can begin getting ready! **Enclosed, you will find a "Preliminary Contract" form and a "Title Request" form. You can mail them to our office with your $395 entry fee or select the link at the bottom of this page to submit the forms and payment online.**

Please return the $395 entry fee, preliminary contract and title request form within 14 days. With a show of this caliber it is essential that our state contestant roster be completed as soon as possible and you have ample time to prepare for the pageant. However, if you run into a problem, do not hesitate to contact us so that we may hold your spot. We are happy to work through delays with you!

PRODUCTION FEE:

Once you become an official state contestant, you will be required to pay a $900 production fee. The non-refundable production fee is NOT due now. You will be required to submit 3 payments of $300 over the next few months. You will receive payment deadlines in your contestant packet. **The production fee must be paid in full in order to compete.**

You can pay the production fee yourself or choose to find sponsors. Sponsors may include businesses, civic clubs, family, friends and neighbors. You may list up to 15 sponsors (name, phone, and/or website) in the contestant sponsor area of the program book. You also have the option of purchasing full page spotlight ads at $300 each to promote yourself and/or any sponsors. The spotlight page is not only a way to promote yourself and give your sponsors additional exposure, but a great way to raise additional money towards the pageant! If you raise more than your required fees, that extra money is yours to keep to use on your competition wardrobe, show tickets for your family, or pageant weekend hotel rooms! Finding sponsors has never been a problem to a dedicated state contestant, but it will require work and could pay off in ways you've never dreamed! Good luck and have fun. As always, we are here to provide encouragement and ideas. Just call or e-mail us if you need anything.

To help in your fundraising efforts, Vanbros will create you an official contestant graphic with your photo that you can send to family and friends, along with a link to a web page where they can submit a sponsor payment towards your required fees. Remember, your contestant handbook located in the online paperwork area will contain several tips on how to obtain sponsors.

Entering the state pageant is the first step towards these fabulous opportunities. We are excited to have you join us for our fun-filled weekend event. Please refer to the following pages for specifics on date and location for your state pageant. **There is much more information in the pages to follow, so be sure and read it all.**

MISS USA
MISSTEEN USA
KANSAS

Dear Teen Parents,

Joining in the excitement of a major state pageant can be very rewarding for a young lady. It will enable her to meet new friends, enjoy an atmosphere of glamour and fashion, and develop the poise, confidence, interpersonal and career-enhancing skills that will benefit her thoughout life! Our pageant is the Official Preliminary to the 2027 MISS TEEN USA® and MISS USA® Pageants. The winner of MISS TEEN USA® will go on to compete for the title of MISS TEEN UNIVERSE® and the winner of the MISS USA® pageant will go on to compete for the title of MISS UNIVERSE®!

Unlike many pageants, the MISS USA® and MISS TEEN USA® State Pageants do not require a performing talent, a platform, an essay, or proof of community service. Rather, our program is designed to discover the poise, personality and beauty within your daughter. We also highly encourage the pursuit of education, and career goals. We usually discover that when a young lady increases her self-confidence and grows through this journey, she becomes a much more active member of her community and wants to make a positive difference in other peoples' lives as well.

There will be a detailed contestant handbook provided to your daughter once she signs up as a contestant. Through reading the handbook, all of our participants will be given instruction on how to enhance their pageant interview skills, runway and stage presentation techniques. For many thousands of young women who have participated in the Official Preliminaries of the MISS USA® and MISS TEEN USA® pageants, the experience will be remembered for a lifetime.

There is information in this packet outlining when and where our state pageant will be held. When she enters the pageant, you will be receiving further information. A link to purchase show tickets for family and friends will be available on the web site at a later date. We want to assure you that your daughter will be well taken care of during the pageant event. There are chaperones on staff to watch over, answer questions, and to assist the girls. Contestants will be responsible for providing for their own hotel room, transportation to and from the theater, and some meals. Registration and the interview competition will take place at our host hotel. If you prefer to stay at the host hotel, a link is provided on the state website to book your room.

Attached to this packet are two flyers regarding college scholarships available to your daughter as an official contestant or the winner of the state pageant. **Missouri Valley University in Marshall, Missouri, is offering a scholarship to ALL of our contestants, runners-up and Teen winner. The winner of the MISS KANSAS TEEN USA will also recieve a full-tuition 4-year scholarship valued at $114,944 from Mississippi State University!**

Please make sure that you review with your daughter all of the materials you receive from the pageant so that you both will be familiar with our program. Also, if you have any questions, you may feel free to contact us. Our entire staff is dedicated to the tradition of the MISS TEEN USA®, MISS USA®, and MISS UNIVERSE® pageants, and to making this pageant a lifetime memory for your daughter and your family!

Respectfully,

John, Jason, Karen, and Jennifer

What is a Title?

To become a contestant, you need to select a competition title. Titles are assigned on a first-come, first-served basis. You can choose a title based on your hometown (Kansas City, Tulsa, Little Rock, Chicago), your county (Jackson County, Seward County, Washington County), or a 'catch phrase' (Show Me State, Sooner State, Razorback Nation, etc.).

This title is for pageant competition purposes. It may also be used for appearances, community service, and/or promotion. You may also use your title to seek support from potential advertisers/sponsors. If you ever have a question about how to appropriately use your title, please contact the pageant office. Once you have paid your entry fee and become an official contestant, you will have the option to purchase an embroidered sash with your approved competition title that you can use to obtain sponsors, do community work and/or make appearances. You will also have the option to purchase an official state contestant crown through Vanbros & Associates. Any misuse of the title can result in the title being revoked and your disqualification from the pageant competition.

The title will become effective once you have paid your entry fee and return this form. Your title will expire at the end of the State Pageant, and no further use of the title or sash will be allowed. The sooner you return this form with your entry fee, the sooner your title can be assigned and you can use it to make appearances and obtain sponsors. Every effort will be made to give you one of your top three choices. If none of your choices are available or approved, you will be contacted and we will work with you to find a suitable one. Again, upon receipt of this form, the preliminary contract, and entry fee, you will be notified of your competition title in your contestant confirmation packet. Congratulations on making this exciting decision, and welcome aboard!
